Department of Natural Resources

Local Code: 40-273

House Committee: Game, Fish, & Parks
Bob Lane; 158th (R)

Senate Committee: Natural Resources and the Environment
Ross Tolleson; 20th (R)

Rules to be Amended: 391-2-4

Summary The purpose of the proposed amended Rule is to assure Georgia's full compliance with the Interstate Shark Plan and to protect shark populations from overfishing. Shark fishing is a popular recreational activity in coastal Georgia, yet many shark species are highly vulnerable to overfishing.

During January 2009, the Board amended Rule 391-2-4-.04 to bring Georgia shark fishing regulations into compliance with the interstate shark plan. However, the ASMFC Interstate Shark Plan Review Team has since indicated that the amended Rule did not completely address all the elements of the Interstate Shark Plan. This proposed amended Rule will clarify any ambiguity and eliminate inconsistencies in shark management between state and federal jurisdictions thereby increasing compliance and simplifying conservation law enforcement.
